Love To Learn

8 May 2019

Dear Parents

Y3 FIVER CHALLENGE – SELLING LEMONADE

Next week, the children in Year 3 will be working on their Fiver Challenge by making and selling lemonade after school. The lemonade will be sold at the end of the day on Wednesday, Thursday and Friday on the KS2 playground, outside the Y3 classrooms for 50p per cup.

With the work we did earlier in the year on Reduce, Reuse and Recycle, Year 3 are trying to make our venture as environmentally friendly as possible by reducing the amount of one-use plastic we will use. Therefore, if you would like to buy some lemonade please bring along a re-usable cup into which we can serve your drink. There will be an extra 10p charge if you require the use of a plastic cup. Many of the café chains offer a similar incentive to their customers. We hope you will support us in this small way we are trying to help the environment.

All of Year 3 would like to thank you in advance for your support on our Fiver Challenge task and we hope you enjoy the lemonade.

Yours sincerely

Miss Rebecca Goodson
Y3 Class Teacher
