<u>Good news – more workshops for you!</u> Promoting Positive Behaviour Workshop

Date: Monday 12th June 7pm- 9pm

Free Interactive workshop on Zoom with a behavioural Specialist. Following on from the well supported and rated Week of SEND.

LPCF have invited Chris from Aspens to again explore the topic of behaviour.

Certain types of behaviour can be not only highly stressful for the family, but also take up so much time and resources that they can have a large impact on the family and child engaging in everyday activities. This session will look at:

- What are behaviours of concern.
- The types of behaviours that may be displayed (such as verbal and physical aggression, breaking objects, escape and avoidance and self-neglect).
- What happens physically to a child when displaying these behaviours.
- How to establish what the behaviour may be telling us.
- Why they may happen.

• How to put a plan into place, as well as some strategies that may help reduce such behaviours and promote positive ones.

These workshops have been requested by parents & professionals and are free to those on the LPCF membership.

Juggling the Joys of parenting

Date: Thursday 18th May 11.30am – 1pm

Workshop 7: Resilience

Are you a parent, grandparent, carer, relative or friend of a child/adult with special needs or a disability? Yes?

...then these FREE workshops are a must for you!

Caring for someone can be a bit daunting at times. Often wonder if things could be better? Of course, there is always room for improvement in everything we do and here are a series of workshops that can really help make a difference to our daily lives

and to our families. This series is aimed at parent carers who wish to have fun, meet other parent carers that want to make life easier and learn new strategies that can make a very real difference.

The word 'Resilience' has become very widely used over the last couple of years. And yet, as a parent, you'll have been doing resilience, to varying degrees, over a long period. The thing is, we never really know how resilient we are until we are really tested.

This Resilience workshop is designed to enable you to:

- ♦ explore what is really meant by resilience
- ♦ increase our self-awareness around how we respond to those unexpected, challenging moments
- ♦ explore traits and strategies for high resilience
- ♦ understand how a permanent state of resilience isn't necessarily good for us
- ♦ look at the human response to change
- ♦ consider how we grow resilience in our children

LPCF proudly presents Hil Gibb to run these monthly workshops on Zoom for parents on the LPCF membership.

See the events page on the LPCF website for the booking form to book your place.
