

WE ARE DELIGHTED TO WELCOME YOU  
TO OUR SCHOOL

## OUR ANNUAL OPEN EVENING

TUESDAY 12 SEPTEMBER 5.00PM – 7.00PM

For prospective students currently in primary school  
keynote presentations from the Head Teacher, Ms. Johnson, at  
5.15pm and 6.00pm

We are delighted to announce the date for this year's Open Evening at the Deepings School.

This is a great time to join our thriving school community. Our last, Ofsted noted that "Leaders are determined to improve the school and have not allowed the Covid-19 pandemic to detract from their main purpose of providing a good quality of education and promoting pupils' safety and well-being."

In examinations, students recorded the best ever academic results at the Deepings School and this helps to confirm that the quality of education at the school is good.

Great schools are about more than examination results alone, of course, and we are proud of our extensive programme of extracurricular activities and educational visits. We were pleased to be able offer in excess of 60 clubs over the last academic year.

Our aim is to prepare our students for real life and to mould our young people into well-rounded individuals who will make a positive contribution to society.

## THIS IS A GREAT TIME TO JOIN OUR THRIVING SCHOOL COMMUNITY!

With the recent addition of a new Art, Design and Technology block, the facilities here at the Deepings underpin our commitment to engaging learning experiences for all of our students.

Feedback from parents and carers has been increasingly positive in recent years and has been instrumental in helping to enhance our school provision.

Progression routes are outstanding. The majority of our Year 13 leavers went on to university or apprenticeships and those students who chose to seek employment secured jobs.

It would be wonderful to have the opportunity to meet you and your child and to answer any questions that you might have about our school.

Ms K. Johnson Headteacher

“LEADERS HAVE SYSTEMATICALLY ADDRESSED ALL THE AREAS IDENTIFIED AS NEEDING IMPROVEMENT AT THE LAST INSPECTION.”
